EDUCATION

- 2004- 2005* *MSc of International Healthcare Management, Economics and Policy*
SDA School of Management, Bocconi University, Milan, Italy
Final grade: 110/110 with distinction
- 1995- 2000* *PhD in Genetics*
University of Vienna and Institute of Molecular Pathology (IMP), Vienna, Austria
Final grade: Distinction
- 1990- 1995* *MSc in Biology (Specialization in Molecular Biology)*
University of Pavia, Pavia, Italy
Final grade: Magna cum laude

EXPERIENCE AND ACADEMIC POSITIONS

- Since 2015* *Associate Professor (of Healthcare and Public Management)*
Department of Social and Political Sciences
Bocconi University
- 2009-2015* *Assistant Professor*
Department of Social and Political Sciences
Bocconi University
- 2008- 2009* *Research Fellow (Assegnista di Ricerca)*
Department of Social and Political Sciences
Bocconi University
- Since 2006* *Affiliate*
Centre for Research in Health and Social Care Management (CeRGAS), SDA
Bocconi, School of Management
- June-October 2005* *Intern*
US Department of Health and Human Services
Substance Abuse and Mental Health Services Administration (SAMHSA),
Washington DC, USA
- 2000- 2004* *Senior Post-doctoral Fellow*
Cancer Research UK (CR-UK), London, UK

INSTITUTIONAL ROLES

<i>Since Jan 2023</i>	<i>Director, Center for Research in Health and Social care Management (CeRGAS), SDA Bocconi School of Management</i>
<i>2018-2022</i>	<i>Academic Director, World Bachelor in Business (WBB), in collaboration with USC Marshall (Los Angeles) and HKUST (Hong Kong)</i>
<i>2019-2023</i>	<i>Coordinator, Healthcare Management Specialization, Master in International Healthcare Management, Policy and Economics (MIHMEP), SDA Bocconi School of Management</i>
<i>A.y. 2008-2009</i>	<i>Program Coordinator, Master in International Healthcare Management, Policy and Economics (MIHMEP), SDA Bocconi School of Management</i>

MAJOR RESEARCH PROJECTS and GRANTS

<i>2023- ongoing</i>	<i>Age-It: Ageing Well in an Ageing Society-</i> Spoke 10 Mainstreaming ageing by building institutional mechanisms for better and future-oriented health policy making and prevention (WP5 and WP6)- Partnership project funded by the Next generation EU Program, PNRR Team member- In collaboration with Università Bicocca, Università Piemonte Orientale, Università Federico II di Napoli, INRCA
<i>2022-ongoing</i>	<i>MUSA (Multilayered Urban Sustainability Action) Spoke 2-</i> WP5: Develop, implement and sustain technological innovation in health; Task 3: Support innovation implementation- Partnership project funded by the Next generation EU Program, PNRR; Team member.
<i>2021-2024</i>	<i>Teliot Project-</i> Competitive research grant to evaluate the impact of telemedicine on care management (Principal Investigator; Coordinator: Bocconi) In partnership with Humanitas Hospital and Politecnico di Milano; in collaboration with Fedios (Italian Federation of Osteoporotic Patients); funded by Fondazione Cariplo
<i>2018-2019</i>	<i>Project "Italy, a healthy investment"</i> - Grant for research on centers of excellence in Italy for quality of care and research activities Part of the OASI Observatory, SDABocconi
<i>2012-2015</i>	<i>Observatory on Biotechnologies-</i> Three-year competitive grant to conduct research on the latest developments in biotechnologies and their repercussions on healthcare systems with a specific focus on targeted therapies and related diagnostics in cancer In collaboration with Università del Piemonte Orientale, Italy; funded by the Italian Association of Biotech Companies (Assobiotec)
<i>2010-2014</i>	<i>Primary Care Models Project-</i> Grant for research on the impact of the introduction of multiprofessional teams on the quality of primary care and on professional dynamics Funded by the Emilia Romagna Regional Government, Department of Primary Care Services
<i>2009-2011</i>	<i>Caremore Project-</i> Competitive grant within the Call for Cancer Research by the

Italian Ministry of Health to study services accessed by breast cancer survivors (Coordinator: National Cancer Institute, Milan); funded by the Italian Ministry of health (Ricerca finalizzata)

In partnership with the National Cancer Institute, Cancer Registries of the province of Varese, Reggio Emilia, Genoa and Ragusa, FAVO (Italian federation of cancer volunteering associations) and Lombardy Regional Government

2010-2013

EUPrimecare Project- Competitive grant within the FP7 Call by the European Commission for a multiparty project on costs and quality of primary care in Europe (Coordinator: Instituto De Salud Carlos III, Madrid, Spain)

In partnership with Instituto De Salud Carlos III, University of Bielefeld, Germany, University of Tartu, Estonia, University of Kaunas, Lithuania, Finnish Institute for Health and Welfare, Finland, National Institute of Public health, Hungary

2008-2010

Health Research in Italy- Grant for a research project on the system of health research (basic, clinical and translation) in Italy and the governance and financing mechanisms to IRCCS by the Italian MoH

Funded by Assolombarda (AIOP and ANISAP)

2008-2010

PRIN Project (Call 2007): Competitive grant for a multiparty research project on HTA for genetic screening: the case of venous thromboembolism (VTE)- (Coordinator: Catholic University Rome)

In partnership with Catholic University Rome, La Sapienza University, University of Genoa; funded by Italian Ministry of University

2008-2011

Diffusion of health innovation in Italy- Three-year competitive grant (Ricerca Finalizzata) for a multi-party research project on the main factors involved in the diffusion of innovation in the Italian healthcare system

In collaboration with Agenas, Catholic University in Rome, Tor Vergata University; funded by the Italian Ministry of Health

2006-2007

Mental Health Transformation Project- One-year grant for research on the trajectories of system-wide reforms in seven countries (US, Italy, Australia, Canada, Scotland, England, New Zealand); Coordination of a taskforce of high-level mental health policy makers of the seven countries

In partnership with the University of Cincinnati and the California Institute for Mental Health); funded by the US Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA)

EDITORIAL ACTIVITIES

- Since 2022, Member of the Editorial Advisory Board, *Healthcare Management Review*
- Since 2022, Associate Editor, *BMJ Leader*
- Associate Editor, *Health Services Management Research* (2017-2019)
- Ad hoc reviewer for the journals: *Academy of Management Journal*, *Organization Studies*, *Health Policy*, *Healthcare Management Review*, *BMC Health Service Research*, *Health & Social care in the Community*

SCHOLARSHIPS and AWARDS

- Bocconi Teaching Award for Innovation (Undergraduate School; Course “Management of Government Organizations”- Collaborative projects with UN World Food Program and Municipality of Milan; 2019)
- Bocconi Senior Researchers’ Seed Grant (2019; In collaboration with R. Graziani and G. Fattore)
- Bocconi Career Development Fellowship (2019)
- Award ABCD (Above and Beyond Duty) Award for best reviewers- OMT Division (2018)
- Bocconi Research Excellence Award (2015, 2020)
- International Award “Vivisalute” for research in the field of healthcare, Provincial Government of Milan (2012)
- Award for Best Teacher of a Specialized Master (SDA Bocconi, 2010)
- Federal Executive Alumni Association Fellowship, USA (2005)
- European Molecular Biology Organization (EMBO) long-term fellowship (2001-2004)
- Collegio Ghislieri Fellowship, Pavia (1990-1995)
- Franchetti Foundation Award, Mantua (1990)

MAIN TEACHING ACTIVITIES

Teaching evaluations on average good or very good (8 or above)

Master of Science and Bachelor education level

Since a.y. 2022 Teaching in the elective course “Health Management and Policy”

Since a.y. 2015: Teaching and coordination of the course “Management of Government Organizations”, Bachelor of International Politics and Government

A.y. 2009-2019: Teaching of the module “Public Policy & Administration”, MSc in Economics and Social Sciences

A.y. 2009-2011; 2022: Teaching in the undergraduate course “Economics and Management of Public Organizations” (in Italian)

A.y. 2008-2015: Teaching in the course “Management in the Life Science Sector”, MSc in Economics and Management of Innovation and Technology

Executive and Master education level

Since a.y. 2019: Teaching and coordination of the course “Foundations of Management in healthcare organizations”, MIHMEP, SDA Bocconi

A.y. 2007-2019: Teaching and coordination of the course “Policy, Regulation and Entrepreneurship in the Biotech Sector”, MIHMEP, SDA Bocconi

A.y. 2006-2012: Teaching in executive short courses in the areas of management of mental health and primary care services and of the evaluation of new health technologies, SDA Bocconi

PhD education level

Since a.y. 2015: Teaching and coordination of course “Qualitative research methods”, PhD in Public Policy and Administration (now PhD in Social and Political Sciences)
